Wants to Bet.

The editor of the Pioneer, after four weeks' silence, finds a proposition to make a bet with us in the Howell Independent, which he republishes, and says that he will accept the same.

What has been the matter with the editor of the Pioneer, that he has said nothing so long, but now, after some one else has written an article, he pub- went around to all the men and shook oters have been arrested. From \$14, and the people are considerably agilishes it through his column and mere- hands with every one, saying, "good- 000 to \$30,000 in money, and all the tated.

editor of the Pienen that, as our proposition is not thought clear enough. we will state it a little plainer, so that which had broken in two when the there can be no mistake. The offer is mast went through it. There was at as follows, which he must accept or this time some few planks floating back source down, as he did before:

I will bet \$100 that I was the writer and author of the introductory published in the first number of the AL-PENA WEEKLY ARGUS. The matter to be determined by five citizens of

Now. Bro. Tefft, if you have any money to stake on these grounds, you can accept the bet by placing the amount in the hands of Mayor Carthat gentleman as a stake-holder.

Since the above was in type one of our citizens handed us the following communication :

EDITOR OF ARGUS :

Please allow me, through your columus, to make a few remarks concerning the controversy between you and the editor of the Pioneer. All that your opponent has in view is to crush you if possible, or do you as much injury as lies in his power, which is but very little, although he imagines himself a man of influence. He knows full well that you are publishing a tion, after having been in the water good, readable paper, which has long about fifty-eight hours without food. been needed here, and as he cannot There were nine persons on board, now run everything in the printing Captain Samuel Gintz, of Erie, Jacob line to his own notion, he naturally Cotter, first mate, of Buffalo. The feels prejdiced. And in his paper is second mate was from Buffalo, where ceived there reports large fires in the not the only place that he is working he leaves a wife. Mr. L. did not woods, radiating in all directions from at his vile plan, but in private. While know his name, nor the names of the Cumberland.
